

# **Chemistry 235 Semester 01-2009**

## **Homework for Submission #2**

Submit the following essay for marking on or before 2 pm Monday 14th September 2009. If any answers show evidence of plagiarism, the whole exercise will attract zero marks. Cutting and pasting does not make an essay! Suggested length 6 pages. Submission should be as for Homework #1.

“Diagonal Relationships in the Periodic Table”
